*The September meeting of the Cary Amateur Radio Club will be held on Thursday, **September 28, 2023**, at White Plains UMC on Maynard Rd, lower level, beginning at 7:31PM.*

The program for our September meeting will be presented by Roger Brower, and will feature "Artificial Intelligence and the Radio Amateur." He will trace the development of this amazing new system and what it can mean for Hams everywhere. Don't miss this chance to learn what it can do for all of us!

*Note: Our next Club meeting is scheduled for **October 26, 2023**.*

JARS EXHIBIT AT THE NC STATE FAIR

The Johnson County Radio Society will have a NC Ham Radio Exhibit at the NCState Fair this year. This exhibit will include theJARSCOM communications truck, and is supported by volunteers from all over the area. Two shifts a day (AM and PM) will be run.

Volunteers greet visitors and share their knowledge of Ham radio, usually fielding questions like "Why Ham Radio?," "What's the difference between Ham and CB?," and "How do I get a license?"

JARS would very much like to have support from the Cary Club this year. Please contact Roderick Warren at ko4zfo@gmail.com to sign up. If you have questions, please feel free to reach out to
